Result Report — DSML | cse

Student information

Student name	deepak bharti	Subject	DSML
Roll number	29	Class	dcse
Phone	+91 91200 41854	Exam date	12 April 2026
Teacher	admin	Paper code	DSM-dcse-2026

Score summary

0.0/15	0.0%	F	Fail
Total score	Percentage	Grade	Result

Question-wise marks

Q#	Type	Question	Max	Given
Q1	Long Answer	What are the needs and application of AI and Data Science?	5	0.0
Q2	Long Answer	Comparison of Supervised, Unsupervised and Reinforcement Learning	5	0.0
Q3	Long Answer	What are the goals of supervised and semi-supervised learning?	5	0.0

AI feedback — question wise

Q1 (Long Answer): What are the needs and application of AI and Data Science?

Keywords missing: - answer likhodata growth - decision making - automation - personalization - prediction

AI feedback: Invalid API key. Check ANTHROPIC_API_KEY in .env (Keyword score: 0%)

Q2 (Long Answer): Comparison of Supervised, Unsupervised and Reinforcement Learning

Keywords missing: - labeled data - unlabeled data - reward - feedback - supervised - unsupervised

AI feedback: Invalid API key. Check ANTHROPIC_API_KEY in .env (Keyword score: 0%)

Q3 (Long Answer): What are the goals of supervised and semi-supervised learning?

Keywords missing: - reduce cost - labeled data - unlabeled data - mapping - accuracy - reliability

AI feedback: Invalid API key. Check ANTHROPIC_API_KEY in .env (Keyword score: 0%)
